### REPORT

**Name of the programme: Swachh Bharath**

**Organized by : NSS unit, Sri Padmavathi School of Pharmacy, Tiruchanoor**

**Venue of the Program: Mundlapudi**

Our volunteers performed Swachh Bharath programme at some places full of dirt and waste in our adopted village, Mundlapudi. Before starting the cleaning process, our volunteers wore proper gloves and other requirements to prevent pathogenic ingestion because of direct contact with waste and dirt. Then they divided into groups and divided the area into subzones and collected the waste in their respective subzones. The dust was collected in the disposable bags and sealed and disposed in the specified areas from which dust disposal take place.

### REPORT

**Name of the programme: A Work shop on first aid measures and personal hygiene**

**Organized by : NSS unit, Sri Padmavathi School of Pharmacy, Tiruchanoor**

**Venue of the Program :Mundlapadi.**

Volunteers has conducted power yoga and body work outs, demonstrated students on drawing,demonstrated hand crafting,explained about good and bad touch pertaining to child abuse and directed to follow safety measures if they face these kind of circumstances.Apart from studies, students learnt the significance and practices of personal health, added skills to explore and excel in non-academic areas. Young minds will strongly register anything in their memories. Educating them regarding child abuse and good bad touch will greatly change their patten of life if they were know about these before they suffer.

### **REPORT**

**Name of the programme: House to house awareness on water conservation**

**Organized by : NSS unit, Sri Padmavathi School of Pharmacy, Tiruchanoor**

**Venue of the Program : Mundlapudi.**

Our volunteers were trained regarding water conservation methods by collecting data from text books, internet and some experienced family members. Later they prepared a plan of action to explain this to villagers and trained our volunteers before the interaction with villagers. Our volunteers divided into 8 teams with minimum five members of each and visited house to house for executing the intended action plan.

The water conservation methods, precautions for facing and safe guarding current hot weather conditions will play a significant effect on minimizing the effects of hot weather conditions.

### REPORT

**Name of the programme:** Awareness on ethical voting

**Organized by** : NSS unit, Sri Padmavathi School of Pharmacy, Tiruchanoor

**Venue of the Program** : Mundlapudi village.

House to house awareness programme was done by our volunteers on ethical voting. In this, our volunteers visited each and every house of the village and explained them the significance and need of voting. We also explained the villagers not to be influenced by the money, alcohol or any other gifts offered by various groups of people for voting to their candidates in the elections. We got succeeded in getting positive response from most of the villagers regarding ethical voting.

### REPORT

Name of the programme: Health Camp

Organized by : NSS unit, Sri Padmavathi School of Pharmacy, Tiruchanoor

Venue of the Program : Mundlapudi village.

A health camp was conducted on 29.03.2019 at our adopted village, Mundlapudi. The aim of conducting this camp was to know the health conditions of villagers and support them in the various health related issues. The tests like BP, BGL, and BMI were also conducted in this camp. Nearly 200 villagers availed our services in this camp. Mundlapudi village's sarpanch, Sri.VenkataRamanagaru provided lunch for our volunteers.

### REPORT

**Name of the programme: Survey and awareness on personal Toilets.**

**Organized by : NSS unit, Sri Padmavathi School of Pharmacy, Tiruchanoor**

**Venue of the Program: In and around Tiruchanoor, and nullapudi.**

A survey was conducted regarding the number of houses using personal toilets in the village. Our volunteers divided into five teams, each with five members and visited every house of their allotted area. They enquired about the usage of personal toilets in their houses and counseled if they are not using. We conducted survey in 492 houses of which 98 houses still without personal toilets. We explained them regarding the significance and need of personal toilets and about the different government schemes available for constructing it.
